

fastPACES

Premier Clinical Courses for MRCP PACES

*The original and highly acclaimed PACES Courses
Over 4000 Candidates in 17 years' teaching*

CLINICAL COURSE KEY FEATURES

- ★ We aim to show you approximately 50 patients with typical signs per weekend course, in a format designed specifically for PACES exam training.
- ★ fastPACES is a consultant-led course, where we offer a Very Low Lecturer : Candidate ratio, making the group size maximum of 1 : 7. Group learning encourages candidate confidence and allows informal learning from other candidates.
- ★ Whilst examining patients, you will be in a sub-groups of just 2 or 3 candidates.
- ★ For communication and history stations, sub-groups of 3 or 4 candidates.
- ★ There are COMMUNICATION SKILLS stations to practice case management ethical issues.
- ★ There are HISTORY SKILLS stations to allow you to individually practice history taking skills.
- ★ You will be expected to present your findings to tough examiners, allowing practice at this difficult skill.
- ★ DON'T FORGET the **Communications Ethics & Law Course**, to give you all the information you need to pass
